DETAILED ACTION

This Office Action is in response to the request for reconsideration filed 25 April 2005.

Allowable Subject Matter

Claims 1-21 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1-10 are allowable because prior art does not show alone or in combination along with the limitations of the independent claim such as a plurality of lead posts, wherein the conductive side of the first die faces the plurality of lead posts, each of the lead posts positioned on a plurality of lead fingers respectively, each of the plurality of lead fingers electrically isolated from one another.

Claims 11-15 are allowable because prior art does not disclose alone or in combination along with the limitations of the independent claim such as a first die having a conductive side that is electrically and mechanically connected to at least some of the lead posts within the array of lead posts, wherein the conductive side of the first die faces the lead posts.

Claims 16-18 are allowable because prior art does not show alone or in combination along with the limitations of the independent claims such as a semiconductor die having an active surface, the active surface having a plurality of conductive pads in contact with the plurality of posts of the lead frame.

Art Unit: 2822

Claims 19-21 are allowable because prior art does not show alone or in combination along with the limitations of the independent claims such as a plurality of semiconductor die, each of the plurality of die having conductive pads mounted onto the plurality of sub-sets of posts respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
